Consent for Services

You have the right as a patient, to be informed about your condition and the recommended dental, medical or diagnostic procedures to be used that you make the decision whether or not to undergo the procedure after knowing the risks involved. This disclosure is meant not to alarm you rather it is simply an effort to make you better informed so you may give or withhold your consent to a procedure.

I, _____ consent to be a patient of Keerthi Senthil, DDS, MS and agree to radiographic and clinical examination. I also understand the following:

1. During the course of treatment, I may undergo procedures in all places of dentistry and medicine, including periodontics (gum treatment and surgery), oral surgery, endodontics (root canals), fixed and removable prosthodontics (crowns, bridges and dentures), implant dentistry, restorative dentistry, temporomandibular disorder treatment, sleep apnea treatment, oral pathology, radiography, and saliva DNA testing.

Initials _____

2. I will provide a thorough and complete medical history, supply a full list of my medications with dosages, and consent to my dentist communicating with my other medical practitioners to inquire about any aspect of my health history.

Initials _____

3. No guarantee nor warranty can be made about treatment outcomes, restoration longevity, nor prognosis. I understand that any branch of medicine, including dentistry, can involve unanticipated results.

Initials _____

4. I will pay in advance any cost of treatment or insurance copayments according to the office's financial policy. I understand that even if an insurance pre-estimate is given or a procedure has been pre-approved, I am responsible for all costs of my insurance does not cover.

Initials _____

5. My treatment plan may change over time and I will do my best to approach my dental care with optimism and open communication with my dentist, hygienist and dental office staff.
